

SCHNEIDER

Get well-equipped for a

STRESS-FREE BACK TO SCHOOL!

It is not always pleasant to get back to school or work after the summer holidays... Schneider's small appliances are your best allies to make your daily life simpler and time-saving! Let's have a look: a multi-caps espresso machine for a perfect morning coffee to start the day, a meat-grill and a deep fryer to prepare a joyful gourmet meal, or a 2 in 1 robot that vacuums and mops all types of floor to free you from household cleaning tasks.

**MULTI-CAPS
ESPRESSO MACHINE**

**3 IN 1 MEAT-GRILL,
PLANCHA AND WAFFLES**

**6L DOUBLE TANK SEMI-
PROFESSIONAL DEEP FRYER**

**2 IN 1 ROBOT
VACUUM & MOP**

MULTI-CAPS ESPRESSO MACHINE

Thanks to its compact design, this multi-caps coffee machine will easily fit into a small kitchen, studio or office. Perfect to start the day happily... or to last until the end of the night!

- Compatible with Nespresso and Dolce Gusto caps, ESE pods and ground coffee.
- 600 ml tank.
- High pressure extraction pump (19 bar) to reveal all the flavours.
- Choice of 2 cup sizes.
- Available in red and black.

Price: 129,90 €
Ref: SCEC2206R

2 IN 1 ROBOT VACUUM & MOP

Cleaning is easy with this smart and high-performance robot! Thanks to its gyroscopic navigation system, it does not clean the same area twice! Its remote control allows you to program the vacuum mode, the start time and the vacuuming time. Once its work is done, the robot automatically returns to its charging base.

- 200 ml tank.
- Autonomy of 150 m².
- Accessories: remote control, 2 side brushes, microfibre cloth.

Price: 199,99 €
Ref: SCVC226HB

6 L DOUBLE TANK SEMI-PROFESSIONAL DEEP FRYER

This semi-professional deep fryer allows you to prepare up to 2 kg of fresh or frozen chips, but also fritters, egg-rolls, croquettes or tempura vegetables.

Its adjustable thermostat with indicator lights guides you to select the ideal frying temperature for each food. Its cooking baskets can be placed in the upper position to fully drain food before serving.

3 IN 1 MEAT-GRILL, PLANCHA AND WAFFLES

Thanks to its reversible plate (grill on one side and plancha on the other), you can grill, cook, snack, sear... all sorts of meat, fish and vegetables. It is also provided with a waffles plate: what an excellent way to delight the whole family!

Its 180° opening doubles the cooking surface and the temperature of each plate can be independently controlled. Finally, all plates are easy to clean, thanks to their non-stick coating.

- Double tank 2 x 3 L.
- Power 3600 W.
- Adjustable thermostat from 130 °C to 190 °C.
- Removable enamel tanks.

Price: 99,99 €
Ref: SCDF216LSS

- Cooking surface 704 cm² x 2.
- Power of 2000 W.
- Adjustable thermostat from 80 °C to 230 °C.
- Touch control panel.e.

Price: 179,99 €
