

CONNECTED PYROLYTIC OVEN AND INDUCTION HOB

Intuitis Collection

Smart appliances for innovative functions

Scholtès unveils its **Intuitis** collection of connected appliances equipped with the most advanced technologies, thus enabling cooks - experts or beginners - to give a free rein to their creativity.

The connected oven features an **Intuitis** TFT high-definition colour screen, combined with a guilloche control knob **with enhanced grip and a refined design**. The simple, intuitive navigation presents an attractive **menu of useful options for everyday use**.

The induction hob is sleek and elegant, with an **Intuitis** TFT touchscreen interface for **fingertip control of all settings**. As soon as the pans are put on the hob, they are instantly identified on the **screen, which you simply touch to adjust the settings**.

With the new connectivity of the **Intuitis** range, also **accessible through the MyScholtès* app**, cooks have access to innovative functions **opening up a world of infinite culinary experiences**.

*MyScholtès app can be downloaded free of charge from the iOS and Android app stores.

60 cm PYROLYTIC OVEN

Intuitis

- 1 **Perfect, controlled cooking**, thanks to the Assistant Function and its 33 automatic recipes, 12 cooking positions and multi-step cooking.
- 2 **Multiple cooking processes** combined with modular Twist grill elements. They can be clipped onto the rack, stored into a compartment without taking up any space, and can be easily placed in the dishwasher. Silicone holders help when moving things from the oven to table without the risk of burning the surfaces.
- 3 **The pleasure of homemade food**, with the Proofer function for dough rising and fermentation, or the Pizza function for a crispy texture on the bottom and a soft texture on the top.
- 4 **Practical everyday functions** such as rapid preheating, delayed start, the Memory function and the independent timer.
- 5 **Convenient operation** with 4"3 multi-colour TFT screen, MyScholtès app, smooth door opening and closing and fully extractable telescopic rails.

60 cm Pyrolytic Oven

Intuitis

SOPFP1655X
